## Education

### BSc.

University: Sharif University of Technology

Major: Chemical Engineering

Thesis: Modeling and simulation of hollow fiber membrane contactor for using in air conditioning systems

Supervisor: Seyed Abbas Mosavi

### Msc.

University: Sharif University of Technology

Major: Chemical Engineering

Thesis: Experimental study of partitioning of lysozyme enzyme in aqueous two-phase systems based on surfactants

Supervisors: Dr. Dariush Bastani, Dr. Manochehr Vosoghi

### PhD

Thesis:

Supervisors:

**Research Experience:**

Separation methods, Transport phenomena, Aqueous two phase systems
