

In The Name of GOD

Name: Haleh Khoshnazar

Email: khoshnazar_h@yahoo.com

Education

BSc.

University: Sharif University of technology

Major: Mechanical Engineering

Msc.

University: Sharif University of technology

Major: Mechanical Engineering

Thesis: Chatter Detection in Machining using Time-Frequency Signal Analysis Methods

Supervisor: Dr. Movahhedy, Dr. Akbari

Phd.

Major: Nanotechnology, Sharif University of technology

Research Interests:

Mechanics of the cell, Microrheology and force measurements in and micron/submicron scales,
Modal analysis and vibrations

Publications:

- Khoshnazar, H., Movahhedy, M.R., "Quantitative Analysis of Milling Force for Chatter Detection Based on Wavelet and Hilbert-Huang transforms", 5th International Conference on Acoustics and Vibration
